RE: DEFENSIVE DRIVING COURSE

As you know, Section 31-303 of the Miami-Dade County Code regulates all types of chauffeur registrations. Specifically, 31-303(d)(7) requires that **all renewal** applicants who, in the past two (2) years have been found guilty, or pled guilty or no contest to two (2) or more moving violations, and **all initial** applicants, attend a Defensive Driving/Basic Driver Improvement Course before being issued their chauffeur registration.

A Defensive Driving/Basic Driver Improvement Course is designed to sharpen driving skills so a driver can prevent or lessen the severity of a collision and avoid the tragic costs in human life, misery and financial expense that motor vehicle crashes incur.

There are many Defensive Driving/Basic Driver Improvement Programs throughout Miami-Dade County, which are authorized by the State of Florida, Department of Highway Safety and Motor Vehicles. Listed below are some of the courses offered in Miami-Dade County, together with their location and phone number(s). These courses are offered many times during a month at different times of the day.
